BIORHYTHM CHARACTER ANALYSIS AND COMPATIBILITY is used in this newsletter. The news media says what happened, THE TRUTH tells why. Each day has its own set of biorhythm numbers. They tell our true character just as astrology does. This is much easier. To do a chart that shows the ups, downs & critical days, another set of numbers would need to be added to the personal numbers. The personal numbers tell what we are like in our hearts.

SCHOOL BOOKS A FOREIGN LANGUAGE

Those who need power over others have high mental percentages (This is not the intelligence). One way to gain control over others is to use a lot of words when we are forced to stay and listen. The school books use a lot of words. The students are the captive audience.

Low mental percentage (LMP) people (this is not the intelligence) function best with outlines. They do not want or need all those words in the school books. All those words are like a foreign language to the LMP people. They have to translate the words into their outline language & that slows them down. Their teachers might think they are slow or not too bright. It is quite a feat translating & learning all at the same time. These people are excellent with details. That is what helps them survive in school as long as they do. Engineers come from the LMP group. Their minds are important to them.

Many LMP people grow up thinking they are not very bright because that is the impression they get from their teachers & parents. Some are very surprised to find when they mature that they are pretty smart & they have had to educate themselves

because the school books are not written in their outline language.

The LMP people do not like being controlled so many quit school as soon as they can see the day approaching for legally getting out. The whole school scene can be very oppressive to a lot of these people.

We need someone to put all school books in outline form. There would be less dropouts.

You can find what your child has in the mental. Order their indepth biorhythm character analysis. See order form on page 3.

BAKER - REPUBLICAN SENATE LEADER

Howard H Baker Jr born 11-15-25

Confidence	4 (65%)	{	Personal
Emotional	9 (36%)		Biorhythm
Mental	9 (46%)		Numbers

Baker was the Republican Senate Leader. He retired 1985. He has a medium-high amount of confidence, is a humanitarian (#9 emotional). He needs to be heard (46% mental), is a martyr who is attracted to the unusual & to trouble. He wants to run for President in 1988. His wife has a problem with alcohol & they might not want to support him because of this.

Dole has taken over Bakers job.

ROBERT J DOLE born 7-22-23

Confidence	0 (100%)	{	Personal
Emotional	16 (14%)		Biorhythm
Mental	31 (88%)		Numbers

Dole has a typical STAR personality. His main thing will be to get the attention on himself. He has a lot of confidence (100%). He can intimidate the shy ones. He is a born actor, natural child type (#16 emotional) who cares mainly for self & his needs. He needs so much attention, he will do anything to get it. He needs to lead or control (88% mental). Many natural child types get into politics to get the attention for self. Not everyone can get into show business. Anyone can get into politics.

METAPHYSICAL SERVICES

If you offer metaphysical services, how about including my Biorhythm Character Analysis & Compatibilities? For the services I provide 60% will go to me & 40% to you. If you are interested ask for more information on your letterhead.

Dole is married to Elizabeth Hanford Dole (born 7-20-36). She is a natural parent type & will cater to the child type. This would be a mother-son relationship. They are overall 33% compatible. 60% & up is good. This marriage would be everything for Robert & mothering for Elizabeth.

THOMAS (TIP) O'NEILL, Speaker of the U.S. House of Representatives born 12-9-12.

Confidence 13 (13%) } Personal
Emotional 1 (93%) } Biorhythm
Mental 14 (15%) } Numbers

O'Neill is a natural parent type (#1 emotional). He will want to be obeyed without being questioned. He wants to be right all or most of the time (15% mental). He is very stubborn. He is excellent with details but not the overall picture. He does not want to be controlled by others. His lack of confidence makes him come on softer & not be so frightening to others. Life is very difficult for him because of the extremes to his personality (low confidence, high emotional, low mental - not the intelligence).

O'Neill is the opposite of Robert Dole. These 2 men are overall 8% alike. This would be like trying to mix oil & water. Their confidence is different, their emotions are different. This creates a natural distrust. They cannot hear what the other is saying. They do not think alike.

You can order an indepth compatibility and/or character analysis. See order form, page 3.

MCCARTNEYS FIGHT CONSTANTLY

	Physical	Emotional	Mental
Linda McCartney 9-24-42	11 (4%)	12 (14%)	23 (39%)
Paul McCartney 6-18-42	17 (48%)	26 (86%)	22 (33%)
Compatibility	6 (58%)	14 (0%)	1 (94%)

Paul said the constant fighting has kept his 15 year marriage interesting. Both Linda & Paul are martyrs (39% & 33% mental). They are attracted to trouble & self-destructive relationships & this one is. The love is lacking (0% emotionally compatible). They do not understand the others feelings. They would not be considerate of the other. Paul said "Often we don't speak for days, then one of us gives in - me!" Paul is a natural pleaser (#26 emotional). He is emotional (86%) & Linda is not (14%). She would not like or be able to understand his outbursts. She would try to stifle him in this area. The frustration of this marriage would cause these outbursts.

These two are overall 47% compatible. 60% & up in each area is good. Staying in a relationship where the love is lacking will shorten their lives. They both are starving to death from the lack of love.

This is a mini compatibility. Order your indepth one. Page 3 for orders.

OPEN MARRIAGES - Everytime I did a compatibility for a couple who said they had an open marriage, the love was lacking. Meaning they were not emotionally compatible, not in love with one another. They seemed unwilling to separate or divorce for various reasons. Maybe they were

hoping their spouse would find someone else & then they would have a reason to get a divorce.

An Open Marriage is a polite way of saying "go look for another mate & when you find him/her, then we can divorce."

Before you marry get a compatibility to see what it would be like. See order form, page 3.

DON'T BELIEVE BIORHYTHM

No one can be intelligent on every subject. Some who are considered intelligent will only believe what they were taught in school or what they read from other so-called intellectuals. This type used to say the world was flat. Some of these people are good memorizers but not really intelligent because they do not reason or think for themselves. They talk & write about things they know nothing about but people will listen to them anyway. They should be asked if they studied the subject. It is their opinion based on how they think they should think, not based on reason or knowledge.

A fan of Biorhythm character & compatibility analysis wrote "One intelligent friend said she read an article that one should not believe in it (biorhythm), that a human being is much more complex & should not be judged by some numbers on a piece of paper." J.L., Virgin Islands

Of course human beings are complex but one does not throw away a self-help just because it does not give 100% knowledge.

There are always people who can't stand anything new. There are those who work with "things". They do not know what they or other people are really like. "Things" are what they are focused upon, not individuals. Scientists tend to be in the "thing" category. They focus on their research. An absent-minded professor is one who does not want to be bothered with life, only research. People listen to scientists about every-

thing but they should not. They wouldn't listen to me if I try to talk about their subjects. I couldn't any more than they can talk about biorhythm or astrology or other metaphysical subjects.

My mother used to be one of these skeptical scientific type people. She used to say "Your head is in the clouds." As time went on & she got to learn more about my research on biorhythm character & compatibility. She then said "I don't know why they don't listen to you." I said "For the same reason you didn't at first." They will listen in time, after they play their games of talking against it & trying to make it go away. It isn't going to go away. It will even help those who want to destroy it now.

See for yourself that biorhythm works. See order form on page 3.

TIDBITS

Actor Dustin Hoffman (born 8-8-34) likes to buy clothes for himself and his family in thrift shops. Hoffman has a 13% physical. The low physical people get more joy from saving than from spending. The older they get the more miserly they become. Hoffman is a martyr (33% mental). They love to say & do things to shock. He would have loved playing Tootsie & The Graduate for the shock value.

I had originally had a birth year of 1937 for Hoffman. A person born on that day would love spending, not saving. I looked in another source for his birthdate & found 1934 instead & that fits his personality better.

Elvis Presley (born 1-8-35) had intended to become a priest when he was

a child. He has the same emotional number the Pope has (0 - 100%). They could embrace the whole world. Elvis needed to be out in public more instead of hidden like he was to keep him from getting overexposed. This shortened his life. He had his sun in Capricorn/Moon in Pisces. That made him "The Wizard of Oz."

Barbara Bosson (born 11-1-39) plays Fay Furillo on "Hill Street Blues." She used to be a Playboy Bunny & could not tolerate the men making passes at her. She used to lash out.

Barbara is not a sexy person (4% physical). She lacks confidence & would overreact. Home & family are what is important to her (#6 emotional).

The anger/hurt shows on Fays face. Even when she smiles she looks like she is crying inside. The only other time I saw a look like that was on the face of the late actress Frances Farmer.

Actress Kristy McNichol (born 9-11-62) had a "chemical imbalance" & walked off a picture she was making. When she got well she went back & finished it & is also making other movies. Kristy lacks confidence (13% physical). She is a natural pleaser (#0 emotional) who cares about all & she will let people use her. She has to learn to say "no" & do what is right for self first. It seems she is doing too much again.

WM MASTERS ON HOMOSEXUALITY

William H. Masters who did sex research with Virginia E. Johnson is now saying that homosexuality comes from negative experiences & can be "cured" by giving positive conditioning. Masters born 12-27-15. Physical Emotional Mental 4 (65%) 8 (43%) 23 (39%) Masters is a social-reformer-humanitarian (#8 emotional). He is a martyr who loves to say & do things to shock (39% mental). As a humanitarian he sees only what he sets his sights on. This means he has tunnel vision.

He will try to "cure" those who come to his clinic. It is my belief that homosexuality is natural in most cases because all of us are different. We all have our strengths & weaknesses. Some are very feminine, some very masculine & most of us are this or that direction with our sexuality. That only makes sense.

Some who have very low physical percentages might think something is wrong with them because they do not feel sexy. They might assume they are homosexuals because they are not that interested in sex or

the opposite sex. Some become promiscuous to prove they are OK. These low physical percentage people lack confidence & could be afraid of the opposite sex & might stick with their own sex because they are thrown together more as children & feel more comfortable with them & do not feel they have to prove themselves. Some of these low physical people are not homosexual & these might be the ones Dr. Masters thinks he can "cure."

In prison where the same sex is living together, they will have sexual relations because they have no choice but they go back to what they were when they get out.

Masters might have had some sexual restrictions put on him as a child (65% physical) & that could have caused him to get into the sex research.

The martyrs are the ideal ones to do research on something controversial. They are attracted to the new & unusual and can take a lot of abuse that always comes with something new. They are excellent with detail work.

I DON'T WANT TO LIVE THIS LIFE

Nancy Spungen was born 2-27-58
 Confidence 11 (4%) } Personal
 Emotional 5 (64%) } Biorhythm
 Mental 31 (88%) } Numbers

She was the first born. She was not "right" from the very beginning. Doctors would tell the parents to take her home & love her because she could not be helped. Other doctors would tell them they waited too long to go for help. They put guilt on the parents.

Nancy was emotionally disturbed.

She was violent. She hit her mother with a hammer.

When Nancy got older she got involved with heroin, became a topless dancer & fell in love with punk rock.

From the time Nancy was 11 years old she told her mother she wanted to die & if she loved her she would let her die. She said she would die before she was 21. When she was almost 21 she said she was 80 years old & had lived it all. Before her 21st birthday she was murdered by stabbing. Her murderer died of a drug overdose before he went to trial.

Nancys mother, Debra Spungen wrote a book "And I Don't Want to Live This Life." She said she is sure Nancy had assed her friend Sid into killing her. She knew he was easily manipulated.

Nancy had a need to dominate (88% mental). This combined with a lack of confidence (4%) would make her a natural bully. She would have bullied her family & did but she was not mentally right so the bullying was horrendous. She could have controlled it better if she has been mentally right.

Home & family were very important to Nancy (#5 emotional) & yet she chose to leave it. She wanted to do all the living she could before she died.

When one is mentally ill, they will do what is right for their personality but it will be exaggerated.

Order your indepth character analysis. See order form on page 3.

DOCTORS MAKE DRUG ADDICTS

Doctors have made drug addicts out of many, mostly women. As long as she continues to get her drugs thru his prescriptions she will not be sent to prison. When she, or anyone tries drugs on their own they are instantly considered undesirables & therefore should be sent to prison to keep them

from contaminating the rest of us.

The poor have as much or more pain & anxiety than the affluent & want relief too. Because they might not go the acceptable route (thru doctors) for their relief they are punished. The poor & minorities are the ones who go to prison for taking drugs, not the rich. Prison is used to get those, who will not conform, back into line again.

Laws & Rules are set up by those who need to use us. The doctor type wants the attention (natural child type) & are not getting it if the poor go elsewhere for their release of pain & anxiety. The doctor type needs power & will see laws are made to keep others in control, his control.

PEN PAIS

Recently I have had several letters from some who said they had gotten taken by dating services. They tend to bring this anger to the PEN PAL service & that pushes their match away. They might lose the person due to their anger at life.

It is important for you who join PEN PAIS to know the person I give you could be the love of your life. Treat that person accordingly & do not expect them to be losers or someone you are going to hate. They will be at least 60% like you & if you are hard or easy to get along with they are likely to be that way too.

See order form on page 2.

When your doctors gives you a prescription find out from him what it is. The pharmacists say they cannot read HALF the prescriptions.
